ART HAPPENS HERE!

INTRODUCTION TO BASIC CANING IN POLYMER CLAY
Oct 23 (10am – 4pm)
Must sign-up by October 16

Instructor: Ann Larsen
Fee:$60 members/$75 non-members plus a $25 material fee
Adults: Limit to 6 students

Learning how form clay into "canes" that can be reduced, sliced and recombined to be used directly or turned int sheets/veneers for application such as jewelry, serving utensils, decorative, sculpture and many other objects. Learning how to make canes is one of the most basic but magical aspects of polymer clay!

INTRODUCTION TO SURFACE DESIGN IN POLYMER CLAY
Nov. 6 (10am-4pm)
Must sign up by October 30

Instructor: Ann Larsen
Fee: $60 members/$75 non-members plus material fee for clay, paints and supplies (Note: must bring own clay machine and basic tools)

You will learn how to silkscreen designs onto polymer clay and how to use stencils to turn polymer veneers into a variety of project including jewelry, ecorative objects and whatever students can envision. All supplies will be provide for the day.

WIRE DRAWINGS
(Enhanced with Watercolor
